Subject: RE: Transparency in Use of Tribal Minor Source Registration Data

Hi Amy – the form that was used is attached. As part of the proposed FIP, we have offered revisions to the form specific for O&NG but that version is not yet in use. So, the attached one is the relevant form that was used by the sources whose data now comprise R8's database. Chris

HQ folks -

As you know, Region 8 is underway developing rules to reduce VOC emissions from existing sources on the Uintah & Ouray Indian Reservation.
